

2000 Series Endplate Fit Guide

This sheet is to eliminate any confusion about which endplate you need to order for your existing Stromberg Carlson Products 2000 Series tailgate.

Quantities are limited, as the 2000 Series tailgate is obsolete. If the correct part for your gate is not listed on the website, we no longer carry inventory.

Model	Tailgate	Model Year	DS Endplate	PS Endplate
Ford	VG-2000	* 1987 - 1996, all models	7345-222-87F-L	7345-222-87F-R
