

Thank you for purchasing the Stromberg Carlson ladder chair rack. When assembled and used properly, this product will provide many years of trouble free service. This kit contains components and hardware for one complete chair rack to be mounted to your RV's exterior ladder.

WARNING:

- Only use to transport up to four folding chairs.
- Always pin chair rack in place while in use or when using the ladder
- Never transport chairs without securing strap in place
- Periodically check fasteners to ensure the screws are still tight.
- Do not allow your chairs to hang beyond the width of your RV
- Do not cover vehicle's tail lights
- Do not allow exhaust fumes to blow directly on items. *This is a FIRE HAZARD.*
- Stromberg Carlson is not responsible for any damage if warnings are not heeded.

Tools provided for assembly:

- (1) 5/32 Allen wrench

There is a left and right hand side to this chair rack. When installing to your exterior RV ladder be sure the arms of the chair rack can be folded out to allow use of the RV ladder (Fig 1, 1a). Always lock chair rack in place when transporting chairs or when using RV ladder to access (Fig 2,) Chairs need to be secured using strap (Fig 3)

NOTE: Use of a bungee cord to eliminate sway at the bottom of the chairs while being transported is a welcome precaution. Currently we don't offer chair covers. Please see your local dealer for chair covers.

Bungee cord not included.
